

Teton Ale

Our flagship Teton Ale is a full bodied, American-style amber with a rich copper color which comes from the roasted Crystal and Munich malts. We use Cascade, Chinook and Willamette hops to achieve the unique, fresh flavor and robust finish that is long and complex on the palate. A true beer drinker's delight.

*North American Brewers Awards
(California Common): Gold 2009, Silver 2010
(American Amber Lager): Gold 2009, Silver 2010
Bronze Medal 2001 and 2005*
